PIZZERIA

The traditional Neapolitan pizza, pan pizza or the pizza baked on a wooden peel, pinsa, gourmet pizzas... And again: bread, focaccias, and calzones. Pizza making is an art, everyone knows it, and as such it requires imagination, creativity, and taste.

As well as method, technique and high-quality ingredients. Orogel Food Service vegetables are the secret to creating the perfect pizza every day.

VEGETABLES

Once you needed time to clean and cut the vegetables you love. Now you can use that precious time to **create new recipes and original toppings for your pizzas.**

Orogel fresh frozen vegetables have already been washed, cleaned, and portioned. All you need to do is choose the ingredients you prefer, put them on your pizza, bake it, and that's it.

GLUTEN FREE**

Pizza with **Grilled Courgette Slices**, cherry tomatoes and salmon added after baking.

ADD YOUR TOPPING AND BAKE!

You can top your pizzas or focaccias with deep-frozen vegetables without thawing because they do not release water while cooking and guarantee a great final result.

VEGETABLES HERBS

Herbs and seasonings are always available and ready to use thanks to Orogel. Fragrant herbs, just as freshly picked, are the best and easiest way to make your pizzas not only nice to see but also excellent to taste.
