Catalogue

## main info

Orojel is proud to tell everything about its products.

This catalogue has been designed to make it **easily readable and more functional** with a clear and **simple product** data sheet full of precious information.

A clear and precise **legend** helps you to learn easily all the information about our products.

**Prep and cooking times** are approximate and refer to 1kg of frozen product. Always read carefully the instructions written on the packages.

Microwave **cooking times** refer to the portion weight suggested for each product.

The **origin** of products can change over time due to the changing environmental and weather conditions affecting the crops and harvesting.

## symbols

The most suitable cooking method is recommended for every product. There are also indications if the product is **vegan or gluten free** and about the **number of portions**.
